No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

Officers of the late Royal Naval Artillery Volunteers.
Officers on the Emergency List of over 55 years of age.

---

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign :—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

Admiralty, By command of their Lordships.
